## EDS Advanced Solutions Named One of Victoria's Top Technology Companies

VICTORIA, British Columbia – EDS Advanced Solutions Inc (EAS), a subsidiary of EDS Canada Corp., a member of HP Enterprise Services, today announced it has been selected as one of the region's top tech companies by the Victoria Advanced Technology Council.

"There are nearly 900 technology companies in Victoria, we are very pleased to make the list of the Top 25," said James Hamilton, president and CEO of EDS Advanced Solutions. We are thankful for the recognition. VIATeC does a great job in bringing people and technology together; it's a healthy and strong industry on the island. We're pleased to contribute in that way."

The VIATeC survey hosted by KPMG, revealed exceptional growth and increased stability for Victoria's thriving technology sector. Companies are ranked by revenue and location of their headquarters among other things. VIATeC promotes that revenue growth is a solid indicator of the success of the local tech industry. The VIATeC 25 total revenue numbers have increased by 99% since 2004.
