## EDS Advanced Solutions Named One of British Columbia's Top Employers

VICTORIA, British Columbia – EDS Advanced Solutions Inc (EAS), a subsidiary of EDS Canada Corp., a member of HP Enterprise Services, today announced it has been selected as one of British Columbia's top 55 employers for 2010 by Media Corp Canada.

Companies are selected for leading their industries in offering exceptional places to work and are known for attracting and retaining employees.

"This is a great achievement," said James Hamilton, president, EDS Advanced Solutions. We are pleased with this recognition and it demonstrates we are moving in the right direction. One of our top objectives this year is to not only provide excellent performance and service to our clients but to create a great place to work for our employees. It's working."

Hamilton credits EAS employees for the selection. He believes the ranking is possible because of EAS' high level of employee engagement and the employees' interest in creating a great place to work.

EAS employees collectively developed the company's vision statement which is "To be recognized by industry, clients, and employees as Canada's No. 1 provider of labour-friendly business process and technology services".
